

Dear Sir,

I would estimate that there are (6) records related to your request. I would further estimate that it would take 3 hours to produce the records and redact exempted information.

3 hours @ \$24.00 per hour to equal \$72.00

I would estimate that the records may total 12 pages @ 50 cents per page to equal \$6.00 for a total of \$78.00

I would also advise that certain records you requested fall under exemption (n) of the Public Records Law G.L. c 4, 7(26) and will not be included.

If this is agreeable please contact us.
